the holy rosary

Dear children! Also today I'm coming to bring you My Son Jesus's Love, who offers Himself for you every day.

My dear children, if you knew all that Heaven's preparing for you, you would no longer be afraid of life or death!

I'm saying to you, my children, who know the Word of the Holy Scriptures, I'm exhorting you to put them into practice, by living them. Only in this way, you'll become the fruit of love, the fruit of grace, the fruit of joy.

My Children, pray, pray so that you may become some true Sentinels and Apostles of His Love. Where there's love, there's charity and there, there's the fruit of God's Love and the Love that reigns in God.

To you, my dear children, I'm exhorting you to open your hearts to My Son Jesus, through a prayer face to face before the Eucharist, where He'll let you discover the

gifts that you don't know.

That's why I ask each of you to live His teachings every day, so that you may be ready to accept all that's happening around you.

You know that My Son sends Me among you to guide you and that you, who seek His love, I'm inviting you to fast and pray, to feel loved and comforted. I'm with you and with you, who suffer.

Every day, with My maternal Love, I'm close to you to help you not to get lost on the path that He's traced for you.

Pray, pray, pray, pray, because, only through prayer, you can overcome all the seductions of the evil one and his temptation.

Thank you, My Children, who give this time of grace to My Son Jesus, responding to His Love. My Heart's full of joy, in seeing all of you who witness this "oasis of peace" through your love.

Thank you for your presence. I'm blessing you all and I'm exhorting you to always walk in the footsteps of My Son Jesus.
